Hi Vicky

The 320 occupations at December 2023 included three 2 bed apartments as being occupied.

Have a good Christmas and all the best for 2025.

Thank you very much for the updated occupation figure. Would you be able to advise whether the December 23 figure of 320 occupations (I think Katy provided at the time) included any flats please? It's needed to help us calculate the number of pupils being created per flat/house.

Thank you
